

# THE LOCATION

Hidden amidst aspens along the shores of two waterways, yet just steps from downtown Avon and the entrance to Beaver Creek, Basecamp on Beaver Creek offers a blend of mountain seclusion and urban access rarely found in the Valley. A bevy of restaurants, shops and amenities such as the Westin Riverfront Spa and Starbucks are a short walk away, while private riverfront access and close proximity to the Eagle Valley Trail System offer instant escape into the outdoors.

Since 1962, the Vail Valley has attracted visitors from all corners of the globe with its world-class skiing, dining and shopping, all situated within one of the most awe-inspiring corridors of the Rocky Mountains. Basecamp on Beaver Creek is located in the true heart of the Valley, minutes from the slopes of Beaver Creek Resort and Vail, the restaurants and shops of Edwards and walking distance to everything in Avon.
